[REDACTED] LIAISON Talked with both Audrey Hatry and Spencer Davis, Senate Select Committee on Intelligence staff, regarding the Committee's request for Agency declassification of Jim Angleton's testimony before the Church Committee. Davis agreed to provide me a copy of the transcript of Angleton's classified testimony, which the Agency does not have. Davis also said the Committee was considering rescinding this request and simply asking Angleton to talk with the newsman who asked the Committee for a declassified version of his testimony.
